

ORS DAY

World ORS day was observed on 31/07/18 at 11am at MVJMC&RH reception. It was inaugurated by Mrs. Dharani CEO, Dr. Srendra Singh, Medical Superintendent and Dr. Ravi Chandran, HOD of Pediatric Department MVJ MC & RH. Health education programme was organized by MVJ College of Nursing students regarding prevention of diarrhea.

A role play in Kannada was performed by III year BSc(N) students regarding prevention of diarrhea and ORS Preparation. WHO preparation of ORS was demonstrated to the public by displaying ORS sachets. They also explained regarding home preparation of ORS and benefits of ORS during mild and moderate dehydration and students enacted and explained regarding the symptoms of dehydration.

There were many children with parents and other patient attenders who attended the programme.
